N. B. The abbreviated Port is always the Surveying Port. The C. underneath stands for Constant Trader.

The Guns of the common Construction are distinguished by a P after the Number and Weight of Metal; Carronades by a C. and Guns on the new Construction by N. C.

The Figures 78 and 79, under Characters, denote the last Year of the Survey of fuch Ships before 1780; and the Figures from 1 to 12 denote the Month of the Survey in 1780; all Ships surveyed before 78, and not fince, having been left out, except Transports.

The REGISTER BOOKS must be posted every Week: For which Purpose this Book will be fetched early on Monday Mornings, or the Evening before.
